

Appl. No. 10/815,908
Amdt. Dated June 20, 2005
Reply to Office action of 19 April 2005

REMARKS/ARGUMENTS

Applicant appreciates the consideration shown by the Office, as evidenced by the Office Action, mailed on 18 April 2005. In that Office Action, the Examiner rejected claims 14-18 and allowed claims 1-14 and 19-30. Claims 1-30 remain under consideration in the present application.

In response to the 35 USC 112, second paragraph rejection of claims 15-18 questioning the use of the word "manually" in each of claims 15-17 and noting that claim 18 depends from claim 17, Applicant has, for each of claims 15-17, changed the dependency from claim 7 to claim 13 and replaced the word "manually" with "mechanically." Applicant thanks the Examiner for pointing out the typing error and respectfully submits that the 35 USC 112, second paragraph rejection has been overcome by the present amendment.

In response to the noted informalities, Applicant has amended claims 9 and 13 to correct the spelling of "alignment," has made the replacement of the semicolon for the comma in claim 4, has added the "and" in claim 19, and has added the "the" in claim 22. Applicant again thanks the Examiner for noting these errors.

Additionally Applicant has amended claim 20 to correct one additional error and change "method" to "structure."

Summary

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Should the Examiner believe that anything further is needed to place the application in even better condition for allowance, the Examiner is requested to contact applicant's undersigned representative at the telephone number below.

Respectfully submitted,

Dated: 21 June 2005
